TJH 15-APR-21

Notes on a "Berkswell" pedestrian gate

Gate installed 14-APR-21 in the Chiltern Hills AONB in South Oxfordshire at grid SU 67798,89439. This is near Ewelme Park Farmhouse (RG9 6DZ) in the parish of Swyncombe.

Manufacturer's website <https://www.secure-a-field.co.uk/products/603>

Photos on http://www.tjh.me.uk/cons_vol/PRoW/Secure_a_Field/ with filenames including 20210414_15 are of this gate.

Berkswell is a place in Solihull in the West Midlands of England.

The "Berkswell" is similar to a "Woodstock" kissing gate (<https://centrewire.com/products/woodstock-pedestrian/>), which itself comprises a "Marlow" gate with a corral (hoops).
